

M18 FOPH-SHTA

QUIK-LOK™ SHORT HEDGE TRIMMER ATTACHMENT

- Capable of cutting branches and limbs up to 19 mm diameter
- 508 mm blade trims more material in a single pass, increasing reach and productivity
- Blade tip guard protects blades from contact with hard objects such as fencing
- Blade cover fully encloses the blade set for storage and transportation purposes
- Short length makes it perfectly suitable for topiary of high and wide hedges
- Straight shaft makes the tool more robust and the low weight more comfortable for the user
- Compatible with MILWAUKEE® M18 FUEL™ outdoor power head QUIK-LOK™ attachment system
